Welcome to the first Huon Valley Auto Corsa!

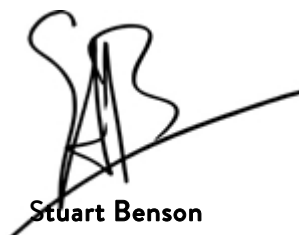

This inaugural event will be conducted on Saturday 13 August 2016 and combines the challenge of true multi-stage tarmac rallying with a time and cost efficient single day format.

Contained entirely within Southern Tasmania's luscious Huon Valley, Australia's newest tarmac rally features more than 120 kilometres of closed road competition held over seven unique stages.

Commencing in Grove, the course increases in complexity and stage length before a Hobart finish. Along the way, the competition field will stop at Geeveston and Dover, giving the local community the opportunity to meet you and check out your rally car.

The Huon Valley Auto Corsa tarmac rally is supported by the Huon Valley Council, Forestry Tasmania, The Apple Shed and the Tasmanian Government through the Department of State Growth.

Thanks for coming to play!
